2023-2024 School Calendar

Dear Parents,

I would like to congratulate all of our 2nd Grade students who received 1st Communion last weekend! It was beautiful to see their excitement and enthusiasm for this beautiful Sacrament. I hope that it continues throughout their lives. This week I was able to go on the 8th Grade Washington D.C. trip. It was a great opportunity to immerse ourselves in the history of our nation and I think that our students had a great experience! While we were there, our 4th Grade visited Frankfurt to learn more about how our state is governed and our 8th Graders who were not able to go to D.C. had a number of educational experiences here at home. These last few weeks we have a number of events going on. Next Tuesday we will gather in the church as a school to crown Mary in our May Crowning ceremony at 10:00am. You are welcome to stop by if you are available. Next Friday, May 17 is Olympic Day. If you have not signed up to help and would like to we still have some volunteer spots available. You can sign up below. For parents, there is a Human Trafficking 101 event on May 14. You may not be aware, but our area is actually a fairly large area for human trafficking due to the intersection of interstate systems and other forms of travel. There is more information about the event below if you are interested in learning more about how we can combat this terrible violation of human rights.

I also have a few updates about hiring and summer work that will be happening at St. Henry. First, we are still working on hiring faculty for next year. We have filled both of our Jr. High Language Arts positions at this point. We are still holding interviews for the other positions that we have open and are hopeful that we will have our other positions filled in the coming weeks.

We have two major projects that will be happening over the summer here at St. Henry. Our library will be getting a major makeover, which will include incorporating our current computer lab into a collaborative work space for our students. This work is due to a donation we received from the family of a St. Henry parishioner who passed away at the beginning of the school year. See below for a few images of what the space will tentatively look like next year! Also, we have been working diligently to raise money so that we can replace as many of the windows in the grade school building as possible this summer. We were anticipating being able to replace the windows on the parking lot side of the building, but I am excited to share that due to a very generous donor we will be able to replace ALL of the windows in the grade school building this summer! We are so excited to have these major projects happen. They are going to greatly enhance the experience of our students far into the future.

Thank you for your continued support of our school! Have a great weekend!

God Bless,

May AfterCare Link

SOULCORE

BODY MIND SOUL

Integrating prayers of the rosary with core-strengthening, stretching, and functional movements to nourish body & soul.

St. Henry Catholic Parish

7:00 PM

Church Basement (Egbring Hall)

SoulCore is returning to St. Henry! SoulCore intentionally engages the whole person in the sacred experience of the rosary. Integrating the prayers of the rosary with core strengthening, stretching and functional movements to nourish body & soul and encourage deeper reflection on the virtues. A gentle path to grow in virtue and cultivate interior peace.

SoulCore began from a little “yes” to an inspiration of the Holy Spirit. Founded in monotheism, one true God, SoulCore is based in Christian meditation and encourages “filling” the mind & soul specifically with the life, virtues and Word of Christ.

A movement all its own, SoulCore is not affiliated with any other fitness disciplines. More specifically, it is not yoga, nor are yoga poses or Sanskrit referenced at any time.

Our Lady’s desire is always to lead us closer to her son Jesus. As a Marian apostolate, SoulCore imitates her in striving to draw others closer to Christ through deeper reflection on His life and virtues in the rosary. Anything that could potentially lead us away from Christ is counter to our mission.

There is no cost, but a freewill offering is accepted. [Sign up today!](#)

St. Henry Catholic Parish will be participating in the 127 Yard Sale this August. Our location is a prime spot for the 127 Yard Sale and it takes a lot of work to make this event a success for our parish. Chris and Amy Osborne are the organizers for this event and need your support.

This is a perfect opportunity for families that receive the participating tuition rate and eighth graders or high school students needing service hours.

MIRACULOUS COMMUNIONS

During her stay at Proceno, the Dominican Saint Agnes Segni would go into the monastery garden alone to pray near an olive plant. One Sunday morning at the break of dawn she was immersed in prayer from the break of dawn and only after several hours realized that it was a feast day and that she was obliged to attend, attended Holy Mass in the monastery choir. However, an angel of the Lord came bearing an immaculate Host, giving her Holy Communion. This incident was repeated on other occasions as well.

The biographer of Saint Clare of Montefalco recounts in the acts for her canonization process that "one day Clare came up to Holy Communion without her mantle. Sister Giovanna rebuked her harshly, saying to her, 'Go away - I don't want you to receive Holy Communion.' Hearing these words, Clare realized that she was without her mantle and felt such bitter regret that after she returned to her cell, she wept bitterly. And while she was praying, amid her tears, Christ appeared to her, and embracing her, gave her Holy Communion, leaving her deeply consoled."

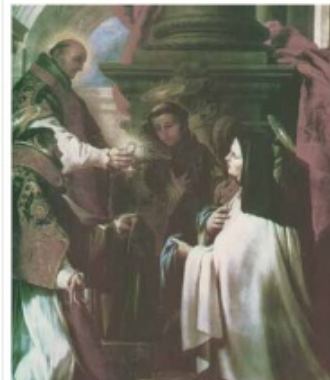

Blessed Angela of Foligno recounted that "on one occasion I saw Christ under the guise of a small Child, Who nevertheless appeared great and majestic, like a king: It seemed that, seated on His throne, He held in His hand something like a symbol of authority [...] Then, when the others knelt down, I did not do so, and I don't know if I ran up close to the altar or if I could not move from sheer delight and contemplation, and I experienced great regret that the priest put the Host back on the altar so quickly."
