2024-2025 School Calendar

Dear Parents,

It is hard to believe that it is August already! This summer has flown by and here we are preparing to begin another school year. This year our theme will be "Living Sainly Virtue." Every month we will focus on a different virtue and a saint who has exemplified that virtue. The hope is that the more we learn about each virtue and discuss ways to grow in that virtue that we will be forming new habits that will bring us one step closer to becoming saints ourselves! We are excited to be on this journey to sainthood together. Like we discussed last year, the highway to heaven is a lot smoother if we take the carpool lane!

As I am sure you have noticed if you have been on campus recently, the replacement of the grade school windows is almost complete. They should finish the project early next week, just in time for the start of the school year. The installation of the windows does not include having the windows cleaned. We are looking for some adults to help with cleaning the inside windows next week. There is a sign up sheet below if you are available to help us out! The library renovations are also moving along. The construction phase should be finishing up in the next few weeks and all of the furniture should be installed and the space should be ready for use at the end of September. Once it is complete, we will have an Open House to celebrate and to bless the new space. We also had door wraps installed on the gym doors last week. They add visual interest as well as a layer of security as people on the outside of the building will not be able to see in. We will be installing door wraps on the entrances to the Jr. High and Grade School buildings as the construction work is completed. These door wraps were made possible with money raised through last year's Mum Sale.

As we enter into the school year, we have a couple of pieces of information for you. This year if your student is going to be absent you can notify us in one of two ways. You can call the front office (859-342-2551) or you can email attendance@sthenryky.com. Please notify the office in one of these two ways and give the reason that your child will be absent. Notifying your child's teacher does not give the office the information that we need. Using the attendance email address will ensure that we see your message. We appreciate your cooperation! We also have a number of events coming up on our calendar.

August 9- New Parent Night
August 11- Readyfest
August 13- 1st Day of School (Noon Dismissal & no After Care)
August 15- No School for the Feast of the Assumption of Mary
August 21- Vision Night

Please let me know if you have any questions or concerns as we head into the new school year! I look forward to seeing you soon!

God Bless,

Kimberly Wagner, Principal
