[2024-2025 School Calendar](#)

Dear Parents,

Today is the middle of our 1st quarter of the school year! Time certainly flies when you are having fun! Our teachers will be updating grades this weekend so that students know where they stand. Any students who are failing two or more classes will not be able to participate in extra-curricular activities until they bring their grades up.

I have several shoutouts from this last week. First, congratulations to Holden Scott who had a hole-in-one at his golf match earlier this week! He is the first student in the history of our golf program to achieve this feat. I would also like to thank our Student Council members who found out the results of elections on Monday and then got right to work on Monday afternoon writing encouraging messages on the sidewalks to get everyone in the right frame of mind for MAP testing. Our students did a great job with their MAP testing this week and I am so proud of them for their hard work and their patience in moments where we had technology issues. They showed some great self-control, which is the virtue for this month! I also want to thank Paizley Ryan, Harper Thomas, and Emma Middendorf, who wanted to write encouraging messages on the bathroom mirrors for our students just letting them know that they are amazing, beautiful, and that they can do hard things. These will be an inspiration for our students throughout the school year!

We have our school picture day coming up next Friday as well as our Parent Volleyball Challenge! Students will be able to dress out of uniform for school pictures. We do ask that if you ordered pictures online that you still send in the paper form with your child's name on it and then just write that you ordered online. Every year we have students who get upset because other students have the form and they don't, but they know that mom and dad ordered pictures. Hopefully this will help them to know that everything is taken care of! We also hope that you will participate in the Parent Volleyball Challenge either as a player, a spectator, or a volunteer. It is a really great community event and we are looking forward to a fun evening!

This weekend is also St. Barbara's Rocktoberfest festival. We hope to see many of you there! Have a great weekend!

God Bless,

Kimberly Wagner, Principal

SEPTEMBER

Self-Control

Self control is being in control of our emotions, thoughts, words, and actions.

Every month this year, we will talk about a different virtue and a saint who exemplified that virtue in their life. Our goal is to grow in virtue as a school as we work toward becoming saints! Every week we will recognize students who have been exhibiting that month's virtue in the classroom. See our Virtue Rockstars for last week below!

Virtue is a firm and habitual disposition to do the good. When we talked about this at our opening assembly, we discussed that this means that we are forming good habits that will help us be closer to God and each other. If we aren't good at one virtue, we can always practice to get better!

The Sign of the Cross

Prayer and symbolism come together in one of the most familiar gestures of our faith: the Sign of the Cross. Its simplicity makes it accessible for even the youngest members of our Church; its power keeps it always significant. On September 14, we mark the Feast of the Exaltation of the Holy Cross. Use this time as an opportunity to renew your families' understanding of the Sign of the Cross as a prayer unto itself rather than just a flourish to start and finish other prayers with. If it is not already, make the Sign of the Cross a part of your daily devotionals. A simple Sign of the Cross traced by thumb on the forehead of a child is a meaningful sending;

having children sign themselves at the start of each day gets them centered.

"Blessed are you, Lord God,
Maker of all living creatures.
On the fifth and sixth days of creation,
you called forth fish in the sea,
birds in the air and animals on the land.
You inspired St. Francis to call all animals
his brothers and sisters."

All creatures great and small are invited!

Friday, October 4

7:45 AM & 6:30 PM in the parking lot.

All pets must be leashed or contained and under the control of their owner at all times!

Friday, October 4, marks the Feast Day of St. Francis of Assisi, the patron saint of animals and the environment. To commemorate this observance, pet blessings will take place on Friday, October 4, at 7:45 AM for school/parish families and at 6:30 PM for parish/school families. Please join us!

Mr. Dan Schachle

Dan Schachle’s son, Michael, was diagnosed with a fatal condition while still in the womb. Despite this, Dan and his family prayed fervently to Fr. Michael McGivney, and Michael was miraculously healed. This miraculous healing was recognized by the Vatican as the miracle needed for the beatification of Fr. Michael McGivney.
