Dear Parents,

Thank you to everyone who attended our annual pet blessing this morning to celebrate the Feast of St. Francis of Assisi! We had a great turnout and had many of our animal friends blessed by Fr. Lange. Yesterday we celebrated our students' achievements on the Fall MAP testing with an out-of-uniform day. We did receive the district report for MAP this week and we will have all MAP scores uploaded to Sycamore by the end of next week, which also happens to be the end of the 1st Quarter! It is hard to believe that we are already 1/4 of the way through our school year! Next weekend, October 13 we will have the blessing of our new library/media center by Bishop Iffert. We hope that you will join us for an Open House and the blessing. If you plan to attend please sign up at the link below so we have an idea of how many people to expect. We are excited to share this new space with our students and with you!

With the end of the 1st Quarter we are also approaching our Parent/Teacher Conferences. Conferences are scheduled for Monday, October 21 from 12:30pm-6:00pm. We will have a Noon dismissal on October 21 to accommodate conferences. Registration for conferences is now open and you can find instructions on how to register through Sycamore [HERE](#). If you have problems accessing Sycamore please contact Mrs. St. John, our receptionist, at lstjohn@sthenryky.com.

October is Respect Life month so I wanted to make you aware that next Thursday we will have an out-of-uniform day for \$2 to raise money for Walking With Moms in Need. This money helps families who are experiencing a crisis pregnancy. Thank you for your generosity! Wednesday, October 16 we will be celebrating Grandparents' Day. Please see below for more information and to sign up grandparents/grandfriends to attend!

Finally, please remember that we do not have school next Monday, October 7. Enjoy your long weekend!

God Bless,

Kimberly Wagner, Principal

OCTOBER *Humility*

- Humility means being modest and not thinking you're better than others
- It's like being a good friend who listens and cares about others
- Humble people are kind and don't show off
- Acknowledging our gifts and being willing to share them with others

Every month this year, we will talk about a different virtue and a saint who exemplified that virtue in their life. Our goal is to grow in virtue as a school as we work toward becoming saints! Every week we will recognize students who have been exhibiting that month's virtue in the classroom. See our Virtue Rockstars for last week below!

Humility means being modest and not thinking more highly of ourselves than we should. This doesn't mean that we don't recognize the things that we are good at! However, we should be willing to use those gifts to serve God and others rather than to glorify ourselves. St. Therese of Lisieux is a great example of humility. She is a Doctor of the Church known for her "Little Way." The "Little Way" is to ask ourselves in every situation how we can best show love to others and serve them. She always acknowledged that anything great that came from her was God's work and not her own. St. Therese, pray for us!

► Our **third graders** created their own campaign to bring Bosco breadsticks back to the school lunch menu. Reaching out to students and staff during lunch, recess, and daily announcements, Harrison and Everleigh collected 133 signatures from fellow students and staff. They submitted their request to the Diocese and were the first to find out that the breadsticks will be returning to the menu in October! (top left and bottom photo)

► With art teacher, Emily Rouser, second graders created their own fall version of Vincent Van Gogh's Starry Starry Night. They had fun learning and creating their own masterpieces.

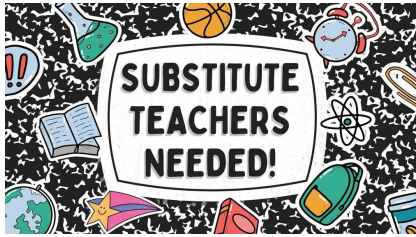

► On the last Friday of the month, **Fr. Sterling**, Pastor of St. Barbara Church (and our school feeder parish) is the celebrant for the all school Mass. Parents, grandparents, and friends are invited to join the students for Mass — it's so uplifting to celebrate Mass with them!

► In Lawrence Manyesa's science class, **fifth graders** completed a project on the water cycle. Elements of the project included a presentation, collaboration, teamwork, research, and inquiry.

► **Student council students** made a poster to honor St. Henry District High School coach Jeremy Hurm who lost his battle with cancer. Many of our students run in the middle school cross country program and knew him. May he and all the faithful departed rest in peace.

► In English Language Arts, Ms. Cox's and Ms. Kennard's **seventh grade students** gathered together to discuss their latest read, Tangerine. The students had great discussions!

► The **Mumkin sale** was a huge success! Students and parents sorted orders (937 plants!) in the pouring rain to make sure everyone was able to pick up their order on time. Thanks to our parents, parishioners, and friends for their support

St. Henry Catholic School needs VIRTUS trained adults as substitute teachers throughout the school year. LIBRARY/MEDIA CENTER

BLESSING & OPEN HOUSE

OCTOBER 13, 2024
@ 12:30 PM

FAMILY & FRIENDS ARE INVITED TO
JOIN US AS WE UNVEIL OUR NEW
LIBRARY/MEDIA CENTER WITH A
BLESSING BY REV. JOHN C. IFFERT,
BISHOP OF THE DIOCESE OF
COVINGTON

We are excited to officially bless and dedicate our newly renovated Library/Media Center on October 13. This project was made possible by the generosity of the Karceski family. Betty Karceski passed away in the summer of 2023. She was a parishioner of St. Henry and an avid reader. Her children decided that in order to honor their mother and her love of reading, they wanted to donate money to help renovate our library.

With the money provided by the Karceski family and funds available through EANS (COVID funds), we have been able to update and expand this space that will support our students far into the future. Come celebrate with us as we honor Betty Karceski and the legacy that she and others have to our students through their dedication to our Library/Media Center.

GRANDPARENT'S DAY

October 16

Calling all grandparents or "grandfriends" to join us this year as we celebrate together on Wednesday Oct. 16, 2024! There will be two sessions this year to accommodate adequate parking in our lot, one in the morning and one in the afternoon. Each group of grandparents will begin by attending mass with their grandchildren, followed by their grandchildren showing them around the school building. As they visit the school building, they will have the opportunity to visit the newly renovated library space, the book fair, and student classrooms. Because we are dividing the day into two sessions, students will not be going home with their grandparents. All students will be dismissed at the regular dismissal time. More information and signups will go home next week .

We can't wait to celebrate with you!

NEWSWORTHY

During the Easter Vigil liturgy, the single flame of the Easter candle shines through the darkness. That small flame spreads as each person's candle is lit and the light of Christ is shared with others. Before we know it, the entire Church is ablaze with the warm glow of candlelight and the darkness has been vanquished.

We are each called by God to be that light of Christ that breaks through the darkness. We are called to be his disciples, continually transformed by our encounter with him and sharing in his mission. Jesus came that we might have life.

Part of the impetus for the Eucharistic Revival was a concern that some Catholics do not believe, or at least do not understand, that Jesus is truly present in the Eucharist. Even though our human senses perceive bread and wine, the Eucharist is Jesus—body, blood, soul, and divinity. Similarly, many people do not realize or acknowledge the sanctity of human life when it is hidden in the womb. Both instances call for us to help others recognize these sacred gifts that may not be perceivable through our human senses. We need to help others understand that just because something may not be apparent to our eyes does not mean that it is not there or that it is not important.

We live in a society that rejects those who are weak, fragile, or vulnerable. Yet, it is precisely within these conditions that a person is most in

"The light shines in the darkness, and the darkness has not overcome it."

John 1:5

need of our care and protection. Pope Francis reminds us that "every child who, rather than being born, is condemned unjustly to being aborted, bears the face of Jesus Christ, who even before he was born, and then just after birth, experienced the world's rejection."

The U.S. bishops have affirmed that, while it is important to address all the ways in which human life is threatened, "abortion remains our pre-eminent priority as it directly attacks our most vulnerable brothers and sisters, destroying more than a million lives each year in our country alone."

As Pope St. John Paul II wrote, "we are facing an enormous and dramatic clash between good and evil, death and life, the 'culture of death' and the 'culture of life'... we are all involved and we all share in it, with the inescapable responsibility of choosing to be unconditionally pro-life."

"I am with you always, until the end of the age."
Matthew 28:20

In the face of challenges such as abortion and physician-assisted suicide, we may feel that we are not equal to the task of overcoming the darkness. Yet, we are not alone. Jesus tells us, "I am with you always, until the end of the age" (Matthew 28:20).

The God who became man to save us still dwells among us. For Christ is "the light [that] shines in the darkness, and the darkness has not overcome it" (John 1:5). He is the one who overcame death and continually raises us to new life. He remains close to us always, seeking us out in each moment of our lives.

Jesus gave his very flesh to give us the gift of eternal life and invites us to the most profound

experience of this gift in our celebration of the Eucharist. When we meet Jesus in the Eucharist, this encounter has the power to change us. The Eucharist has the power to transform the depths of our hearts and the heart of our culture. United to the power of his Eucharistic Presence, may we work to ensure that each person has life—and has it in abundance.

Who HAS SCHOOL CHOICE?

EVERY STATE SURROUNDING KENTUCKY, ALONG WITH FORTY-EIGHT OF FIFTY STATES, HAS MULTIPLE OPPORTUNITIES AND PROGRAMS

What you will see on the ballot:
The Amendment will be on the second page of the ballot!

To give parents choices in educational opportunities for their children, are you in favor of enabling the General Assembly to provide financial support for the education costs of students in kindergarten through 12th grade who are outside the system of common (public) schools by amending the Constitution of Kentucky as stated below?

"The General Assembly may provide financial support for the education of students outside the system of common schools. The General Assembly may exercise this authority by law, Sections 59, 60, 171, 183, 184, 186, and 189 of this Constitution notwithstanding."

The amendment does NOT propose or authorize any school choice program now, it simply keeps the door open for future programs when Kentucky's ready. Learn more about the amendment and ways you can get involved in supporting its passing at <https://covidio.org/yesontwo/>.
